Dear Friends of the Newbury Park Dance Team,

Every year, our talented group of 25 dancers works hard to serve our community, perform at many local sporting events, and compete against some of the best dance teams in the country. All of this takes a significant amount of time and money, and we could not accomplish this without the support of our friends, family, and community.

In addition to the fees paid by the parents, we are reaching out to our community to ask for their support in any way possible. In addition to the annual sponsorships of the program, one of the main fundraising tools we have is our new, annual golf tournament held this year on **Monday, October 24, 2022 at Las Posas Country Club in Camarillo, CA**, where we expect to host nearly 150 people from our local area.

We would like to invite you to join us in playing in the tournament at the private club, as well as ask for your support for two of the key fundraising arms of the event: the live and silent auctions. We greatly appreciate your donation of any services, goods, experiences, gift / discount cards - or anything you think would help in our fundraising efforts and create significant goodwill throughout our program and community.

Please complete the form on the back side of this request with your tax-deductible donation information and tournament entry information and we look forward to your support for our program and the inaugural tournament in October!

Thank you for supporting our student-athletes in our community, and we are grateful for your support.
